

Woman Business Owner of the Year 2010

KATHERINE HARTE

IBI Data

What do you believe are the keys to ongoing success?

Nothing gives me as much pleasure as walking through the building and seeing the IBI teams taking a sense of ownership and pride in what they are accomplishing.

Our people control the keys of ongoing success. Staff members listen to our clients and deliver the best service possible. In 2009, our staff received Best Place to Work, and in 2007, they received the Best Employee Retention Program.
